1. SEPT. 8, 2008 CHRISTIAN COALITION GOD AND COUNTRY BANQUET

Rosen Centre, Orlando. Our Christian Coalition Pinellas group of 12

Joan and Don Kerstner, Joan and Vance Lackore, Guy and Carol Rayon, Marilyn Peeler
 Anne and Brinton Overholt, Eleanor Scarlato, Martha and Ron Scheffler.

Alliance Defense Fund, founded by Dr. Bill Bright, Larry Burkett, Dr., D. James Kennedy, Martin Maddoux, William Pew, and Dr. James Dobson. As you probably know the only one still living on earth is Dr. Dobson. A fine legacy to leave.

ADF President and CEO, attorney Alan Sears was main Speaker. Recent ADF US Supreme Court Victory #32 was 'Partial-birth Abortion Ban'. Losers Planned Parenthood, and A.C.L.U. The body of Christ has about 5 great Law Firms to defend Christians from the Liberal onslaught, Planned Parenthood. Once upon a time the ACLU manipulated Liberal Judges to make unbelievably Bad decisions throwing God and prayer out of Government Tax-payer supported schools, as well as Roe v. Wade. Thank God that day is past and now we must try to stop and undo bad decisions that often are opposite the US Constitution..

Florida Legislator Scorecards were distributed. Two Pinellas House Members received 100%; Rep. Legg, and Rep. Jim Frishe, and Sen. Rhonda. Storms. The BIG WINNERS WERE THE GAMBLING INTERESTS. Remember how good we felt about PARENTAL NOTICE FOR MINORS SEEKING AN ABORTION. It was a passed, signed law SWEPT ASIDE ON A TECHNICALITY. Remember the great results from ADULT STEM CELL RESEARCH; The FL House passed the Bill; the FL Senate ignored it.. Probably because they were so focused on expansion of Gambling, and being big shots in gambling places.

2. Thinking Right by Dr. Vance Lackore

Bin Laden sees how the rival Muslim theocracy in Iran has turned its oil profits into a nuclear-weapons program. He'd like to replace the present Gulf monarchies with self-professed imams and Jihadists. Such a single, united Wahhabi theocracy could dole out its oil to subservient importers, and use the profits to acquire enough weapons to unite the Arab world and prepare for the final war against us. -Victor Davis Hanson, a classicist and military historian at the Hoover Institution, Stanford University. September 2007

Iranian President Mahmud Ahmadi-Nejad's recent ranting before the UN General Assembly and in his "speech" at Columbia University shows his Arabic, Jihadist state-of-mind, and his hatred of Western Culture especially toward the United States. In recent months he has mentioned the soon return of the Twelfth Imam, the Islamic expected Messiah who will bring Jesus with him, treating our Savior as a subservient, docile underling who will do what ever the Imam desires. To any serious Bible scholar, the question arises, Is this man, who is devoted to this belief system of the Devil, the false prophet foretold in Scripture who will introduce the False Messiah? A careful study of the Book of Daniel and other prophetic scriptures gives us much to consider.

From the time Ishmael threatened Isaac and Esau threatened to kill Jacob who was renamed Israel, the descendents of Ishmael and Esau, known today as the Arab nations, have fought with their Jewish cousins through the centuries. This satanic war to keep God's redemptive plan from completion waged throughout the Old and New Testament into the current day. (King Herod who tried to kill Jesus as an infant was an Arab.) The Islamic belief system is a clever, diabolic fraud and a fierce enemy of the Jews and Christians, beginning about 650 years after Christ's ministry, when it was conceived and brought into being by Mohammed who was not a prophet as we understand the word, but a clever, uneducated man. He was not the first or the last person to invent a religion as a way to gain power over others or to turn it into a source of great wealth for himself. Contrary to what some people believe, the Koran was not written by Mohammed, who was illiterate. His thoughts and words were collected and transcribed many years after his death by those who heard him speak and describe his visions. Mohammed himself said in the case of conflicting statements, the most recent is the most accurate because, "Allah changed his mind" while talking to him. Thus, the very early statements of Mohammed profess a love for the Jews, since they believed in one God, but later reveal hatred because the Jews amassed

wealth that the Muslims desired and thought belonged rightfully to them, because Isaac took Ishmael's place and Esau was cheated by Jacob. The Wahhabi Sect and the other radical Jihadists are dedicated to eradicating the Jews and the followers of Jesus Christ from the human race, and will use every pretense of being wronged to do so. In their zeal, they mimic the followers of the false Christ in Revelation, who kill all who call upon the name of Jesus.

The United States and the other freedom loving countries in the world must recognize the danger of attack by these radicals at any moment. They preach and practice deception and death, ambush and annihilation by any method at any time until their enemy (us) is removed and they promise peace under their perverted plan. Their stated purpose is identical to the goals and desires of the False Christ seen in the Bible's Book of Revelation.

We are fighting against the Devil's own warriors as Satan attempts to thwart the coming triumph of Jesus who will rule the world from Jerusalem. Is Ahmadi-Nijad the forerunner for the coming False Christ? Is the great imitation of Jesus' Kingdom of Peace about to break on to the World scene? Is the Rapture of the Church at hand? Only God the Father knows, but our prayer is, "Come quickly Lord Jesus!"

I'm Vance and I'm Thinking Right

3. New Life solutions and Pregnancy Center of Pinellas, Grand Opening Sept. 13-15'.

Saturday was 'FAMILY DAY', Friday was 'FORMAL TOURS' Thursday was Chamber of Commerce Ribbon Cutting. They already have had the first New Arrival in the Brand New Birthing Center. They have Sonogram equipment and offer even more services. . Congratulations!

This Friday, Sept. 28th is the first annual "Purity Ball", an elegant event at the Feather Sound Country Club for young women and their Dad/ or Father figure, dinner, ballroom dance lessons, dancing, and even a sterling silver purity ring. Wonderful.

4. THE FIRST ANNUAL FAMILY IMPACT SUMMIT was held last weekend at Bell shoals Baptist Church.

Tony Perkins, Gary Bauer, Don Wildmon, Rebecca O'Dell Townsend, Bishop Harry Jackson, and Katherine Harris were among the Speakers and Workshop participants, and they were all outstanding.

Rev. Don Wildmon, founder/president of American Family Assn., was the lunch speaker Friday. We all agreed that his humor reminded all of Will Rogers. You need to be on his e-mail list. He tells it the way it is, and is currently leading a boycott of Ford Motor Co. because of its support of Homosexuality. It's working; sales are down each month and profits too. He's good.

A great presentations was, "What every Christian must know about Islam" by best-selling author Bill Federer. Some of the Panel/workshops subjects were 'Community Decency', 'Racial Reconciliation', 'The Church and Voter Guides', 'Every Christians role in redeeming the culture thru the legal system', 'Basics of Grassroots Activism', and 'Starting a Community Issues Group in your church and community'.

The 'Christian Citizenship' workshop featured Katherine Harris, Dr. Gary Kass, Ned Ryun, and Leslee Unruh. **Mrs. Unruh's** efforts led to a statewide **abortion ban**. Anti-abortion people tried to get the Indian reservation to allow abortions there, but the Indians also said no. In her early 20's Mrs. Unruh had an abortion and understands the emotional pain and guilt this leaves. It was a real joy to meet her because 2 months ago we discussed this at our monthly meeting. Remember?

I have not heard attendance totals but it appeared about 400 were there at various times. The Bell Shoals Baptist Church members, and other local Pastors were great to work with, and it was truly a great two days. Equipping the saints to take Christ's message, that we learn with local Pastors and Teachers, to the world in Jesus' Name. Jesus said, (You) go into the world?" That's His command and our reason for being in the earth. For the past 30 years Christians have been in their Churches leaving national business and national leadership for the ACLU and Liberal Judges and they did there work well.

There have had leaders like Rev. Jerry Falwell, Dr. Jim Kennedy, Rev. Pat Robertson, Rev. Don Wildmon, Rev. Martin Luther King, Jr., but you never heard their names in many churches. They planted the seeds and a good 'seed time and harvest' crop is coming up. There were always some of us who would travel to Washington, D.C. for Christian Coalition with Dr. Ralph Reed, and others meetings. However when ever the world accuses a Christian leader of wrongdoing, Christians walk away and wait with the world until it blows over. The IRS was given unconstitutional authority by then Sen. Lynden Johnson. He put Pastors messages under IRS. Now 'Hate Speech' is the next step to control Conservative Christians, Sen. Ted Kennedy, Harry Reed,

Jesus Christ left us with all the weapons to win so it's not His fault. 1% to 2% homosexuals, with satan's help, impact society; 65% say that they believe in the God of the Bible, David Barton days 50% of those in the pews aren't registered and of the registered ones 50% don't bother. What will they answer God when he asks us all where were we when all this anti-Christian legislation was passed? Didn't we care? Bell Shaols Baptist hosted an outstanding opportunity. Homosexuals came picketing.

5. Christian Coalition is non-partisan, not Republican, not Democrat, or whatever.

We study Issues and seek Godly wisdom to be knowledgeable Citizen/Voters. All are welcome.

Christian Voters messed up in 2006 election. We let the Main things, Abortion and Traditional Marriage, that tell about the heart of the candidate get replaced, so we pay the price.

Father in Heaven, grant your body (the Church) the spirit of Courage and a Love for justice, like our Founding Fathers DEMONSTRATED. MAKE US COURAGEOUS IN CONDEMNING EVIL AND FREE US TO PURSUE JUSTICE WITH LOVE. IN JESUS NAME, AMEN

A.T. and Margie Herring, of Pinellas Park, try to decide where to go next during the Family Impact Summit at Bell Shoals Baptist Church. "We have the same family values that are being expressed, like-minded" Margie said of why they attended. "We also want to make a difference in life, traditional family values."
