Thinking Right

In Psalm 24, the Psalmist asks the rhetorical question, "Who can enter into the presence of the Almighty God?" then answers it with these words, "Ps 24:4, "The one who has clean hands and a pure heart, who has not set his mind on what is false, and who has not sworn deceitfully." It appears our current administration, from the elected Officials down throughout the entire staff and into the leadership of

Congress has been infected by a disease that is terminal to our Constitutional Republic, and to their own souls, unless immediate action is taken to excise the malignancy. This disease is diagnosed already by most Americans who look upon government as something more than a dispenser of money to meet every imaginary need that can be invented. This mysterious, un-named, malignant, destroyer of our Nation is: brace yourselves - dealing in blatant falsehood, deception and half-truths!

The American voting public was first of all convinced that we are in a serious global warming event calling for massive governmental intervention, including Cap and Trade Taxation, escalating fuel costs, shortage of

American oil, shutting down inefficient coal-fired utility plants, only to find the "Scientific evidence" for this calamity is fraudulent, based upon rigged evidence with the truth suppressed by governmental misleading and collusion of the compliant media outlets. The so-called "Health Care Bill" is a mix of delayed taxes, planned cutbacks in Medicare and Medicaid all timed to take effect after the 2012 elections to help in the re-election of the current President and vulnerable Congressmen. Next we're told the threat of militant Muslim Terrorism within the United States' borders is minimal to non-existent. Then we find out about the "Tightey-whitey Terrorist" trying to blow up a domestic flight with explosives built into his underwear, we heard about the Major Hasan counseling returning vet's from Afghanistan who is fomenting terrorist acts against his own fellow soldiers finally killing 13 soldiers on the grounds of Fort Hood. All of his peers and superiors knew of his mental stresses but he's not called a terrorist, just mentally unstable - yea right. Evidence points to an infiltration of Middle-east men across our southeastern border with Mexico but the Government refuses to allocate money already authorized to seal portions of that border and another would-be terrorist bomber is arrested and confessing to a plot to blow up U S bases within the U S. Another misleading statement, "The system is working!" stated by Homeland security official Janet Napolitano, echoed by Robert Gibbs.

Now the lie about hundreds of thousands of people without Health Care and the false statement about bipartisan cooperation between the White House and the Republican leaders mouthed by the Pinocchio's in the Administration, led by Gepetto himself.

My question is; *who is really pulling the strings?* The President's background is a blank slate, his finances are unconstitutional but unchallenged with millions of illegal dollars from outside the country, the Democrats are following the lead of an unseen, unnamed leader, the Nation is in dire peril, Islamic terrorism is eminent, Truth and Constitutional restraints are nowhere to be found. Who or what is the source of this coordinated attack? Is it the followers of who Scriptures call "The Father of Lies? And if or when we find out, what will be done about it?

Department of peace or Prince of Peace?

I find it **absolutely amazing** the things that come across my computer. Sometimes I wish I could genuinely accept the mindset of "ignorance is bliss", but then again I can't even imagine what that would be like.

So here is the latest...legislation to create the *Department of peace*. Yes, this is an actual bill in the Congress of the United States. A nation that moves daily away from the Prince of Peace is now calling for a Department of Peace. In order to create a "department of peace" you must first ask yourself "What is peace", and while I know what it means to me, I went ahead and looked it up. Dictionary.com gives a number of definitions: 1) the normal, nonwarring condition of a nation, group of nations, or the world. 2)a state of mutual harmony between people or groups, esp. in personal relations: 3)a state of tranquillity or serenity. While there are more, I think you get the picture. With those definitions, and of course, what peace means to you, here is an excerpt from the legislation to create a Department of Peace.

>>SEC. 101. ESTABLISHMENT OF DEPARTMENT OF PEACE.

(a) Establishment- There is hereby established a Department of Peace (hereinafter in this Act referred to as the 'Department'), which shall--(1) be a cabinet-level department in the executive branch of the Government; and (2) be dedicated to peacemaking and the study of conditions that are conducive to both domestic and international peace.

(b) Secretary of Peace- There shall be at the head of the Department a Secretary of Peace (hereinafter in this Act referred to as the 'Secretary'), who shall be appointed by the President, by and with the advice and consent of the Senate.

(c) Mission- The Department shall--(1) hold the cultivation of peace as a strategic national policy objective;(2) reduce and prevent violence in the United States and internationally through peacebuilding and effective nonviolent conflict resolution;(3) strengthen nonmilitary means of peacemaking;(4) work to create peace, prevent violence, prevent armed conflict, use field-tested programs, and promote best practices in nonviolent dispute resolution;(5) take a proactive, strategic approach in the development of policies that promote national and international conflict prevention, nonviolent intervention, mediation, peaceful resolution of conflict, and structured mediation of conflict;(6) address matters both domestic and international in scope;(7) provide an institutional platform for the growing wealth of expertise in peacebuilding to dramatically reduce the national and global epidemic of violence;(8) support local communities in finding, funding, replicating, and expanding programs to reduce and prevent violence; 9) invest in non-governmental organizations that have implemented successful initiatives to reduce and prevent violence, both internationally and domestically; and (10) work with other government agencies to apply and practice the science of peacebuilding in their respective fields of responsibility.<<

50,000 teens on the benefits of Sexual Purity and Marriage to help prevent teen pregnancies and STD's.

Our focus from the beginning has been on transforming our community one life at a time. Our mission has been to save souls, save babies, and reach teens by equipping them to make positive choices in order to have healthier futures.

It is our prayer that you partner with us in making a positive and eternal difference in our community and fulfill the Great Commission. Through your prayers, involvement and financial alliance you are investing in the Kingdom.

There lies deep within each of us a longing for peace. A gentler, simpler time with no worries and no cares. A longing that our creator, God, put there to draw us to Him. And now, a nation that has come to believe the government can provide everything for you, is declaring that they can also provide the peace you are seeking.

The truth of the matter is, we are promised peace and it isn't elusive. We are given clear direction on how to obtain it. In Isaiah 9:6 we are promised the Prince of Peace...a wonderful counselor, mighty God and everlasting Father. It is said of this Prince of Peace that the government shall be on his shoulders. It is not said that peace will be on the government's shoulders.

Let me give the government a few tips on creating this peace. These tips are not mine, they are not original to me, but they are effective:

Thus says the LORD, your Redeemer, The Holy One of Israel: 'I am the LORD your God, Who teaches you to profit, Who leads you by the way you should go. Oh, that you had heeded My commandments! **Then your peace would have been like a river**, and your righteousness like the waves of the sea' " (Isaiah 48:17, 18).

"The work of righteousness will be peace, and the effect of righteousness, quietness and assurance forever. My people will dwell in a peaceful habitation, in secure dwellings, and in quiet resting places" (Isaiah 32:17, 18).

"Great peace have those who love Your law, and nothing causes them to stumble" (Psalm 119:165).

"You will keep him in perfect peace, whose mind is stayed on You, because he trusts in You. Trust in the Lord forever, for in Yah, the Lord, is everlasting strength" (Isaiah 26:3, 4).

"And suddenly there was with the angel a multitude of the heavenly host praising God and saying: 'Glory to God in the highest, and **on earth peace, goodwill toward men!**'" (The arrival of the Prince of Peace)

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus" (Philippians 4:6, 7).

"We have peace with God through our Lord Jesus Christ" (Romans 5:1).

"For He Himself is our peace,... He came and preached peace to you who were afar off and to those who were near. For through Him we both have access by one Spirit to the Father" (Ephesians 2:14, 17, 18).

I submit to you, there is no peace without the Prince of Peace. A nation, or an individual, that rejects Jesus can do nothing to replace the peace that passes all understanding.

Jesus---for He himself is our peace. My heart breaks for those who are seeking peace elsewhere.

Democrat strategist James Carville: Obamacare will be Obama's Waterloo

March 1, 2010 On 'GMA' this morning, James Carville wasn't as optimistic as House Speaker Nancy Pelosi. Not sure that Democrats have the votes to pass the President's plan, Carville is sure that failure will be the "Waterloo" predicted by GOP Senator Jim DeMint. "If it goes down"

Carville said, "it's gonna be a simple statement: the Democrats can't govern. They came in with a majority promising health care and they came away with nothing." To read the full article click [here.](#)

Even Soros is Dissatisfied with Obama

March 1, 2010 CNN's Fareed Zakaria introduced George Soros as "the billionaire investor, financier, speculator, philanthropist and thinker." Zakaria on his "Fareed Zakaria GPS" this morning also noted that Soros was one of Barack Obama's biggest supporters. Zakaria asked, "Are you satisfied with the job Barack Obama has done?" Soros said he wasn't. Soros wanted the banks nationalized, but added that Obama "made the political decision that that is un-American, will not be accepted." To read more click [here.](#)
